

JURY GIVES WARD 5-YEAR SENTENCE

FIVE years in the penitentiary was the punishment meted out by a jury in the 34th district court Thursday night for Eugene Ward, a negro, who was found guilty of manslaughter in connection with the killing on May 28 of Harry Northrup, special watchman for the G. H. & S. A. railroad. The jury deliberated more than five hours before the 12 agreed, and this was accomplished only after the jurymen had been taken to their quarters for the night. Attorneys

HUDSPETH IS GIVEN VERDICT IN SUIT OVER FEE IN CASE

At a special eight session Thursday, Judge W. P. Howe, 34th district court, decided the suit of J. A. Gillett against C. E. Hudspeth, for fees, in favor of Hudspeth. The case was tried by a jury last week and submitted on special issues. From its verdict Judge Howe reported his decision Thursday night.

The case is one in which Gillett was seeking approximately \$100,000 from Hudspeth on the ground that the fee was paid to Hudspeth when the two were law partners, and that Gillett was entitled to a share. Hudspeth claimed that the fee was derived from handling an estate which required financial aid. He showed that Gillett was unable to render the financial aid and said the man told him to take all of the fee as a return for his being forced to carry the financial burden for the estate without assistance.

MEXICAN'S BODY IS FOUND WITH BULLET THROUGH HEAD

Detectives have made but little progress toward the identification of a dead Mexican, whose body, with a bullet wound through the head, was found at Tenth and Kansas streets, Thursday night. The police found the body lying on the face and still warm. According to persons who reported the dead man's presence, three men were seen to run away from the man as he fell. They went in different directions and none was able to identify them.

Comar R. B. Rawlin ordered the body removed to the Packer-Hagerdorn morgue. In the pockets was found a card which bore the name of George Olmes, Seattle, Wash.
